

UMD Club Cross Country 2008 Season

About Us

UMD Club Cross Country is a growing student organization which was founded in the spring of 2005 and consists of runners of all levels. Our club members range from casual runners to former high school all-staters. The primary goal of the club is to unite these runners within the UMD community and to ensure that boredom does not consume those who would otherwise run alone! We provide an easy-going environment for runners of all abilities with plenty of opportunity for competition as well. The only requirement to join is a passion for running! We are an entirely student directed club sport, no coaches, which allows us to promote student leadership through our board of officers.

The club is a member of the National Intercollegiate Running Club Association (NIRCA), a newly formed governing body whose goal is to promote competitive club running at the college level. We will be traveling to a few meets within our region, some local road races, as well as the National Club Championships at Penn State.

Practice

Run times for the 2008 Fall Semester have not been scheduled yet. When the times are posted you may find them on our website at: www.UMDxc.org/RunTimes.html

Uniforms

In club XC you are *not* required to buy a uniform, you can simply wear whatever running clothes you wish...but you know we look better when everyone matches! An order form is attached to this packet for the uniform & 2008 team shirt, as well as pictures and sizing info. Of course, since you bought it, it's yours to keep.

Club Dues

As a club member you can either pay dues for the semester (\$15) or for the year (\$25). This small fee covers all entry fees to the club races listed below, hotel stays & gas costs for away meets, plus breakfast runs and Fantastic Fridays throughout the season.
